

## JULY NEWSLETTER

We started the month with Fair Lane Farm hosting a Hoka Thorn clinic on July 3<sup>rd</sup> and 4<sup>th</sup>. We lucked out with the weather as it wasn't too hot. A full clinic with many auditors. The farm will be taking a clinic break for the summer. We will be hosting again in September.

Happy 4<sup>th</sup> of July! Amy will be taking a few days off at the lake with her family and the Sea Nile (their boat). More vacation time the following week. Amy and family will do their annual beach trip. More vacation time well deserved after a very busy year so far. Another long weekend the end of the month in Florida. Amy and boys then headed down south to help celebrate her mom's 80<sup>th</sup> birthday. A very special time!

The McElroy group has almost finished their downtime and will be gearing back up in August.

Amy's webmaster and McElroy groupie and dearest friend Leah needed to retire from being her webmaster all these years. Many Thanks!!! We have a new webmaster! We are working very to have this complete and better than ever by the end of August.

Enjoy your summer!
