Summer is here! Amy started the month judging in Tyler, Texas at the Texas Rose Event. Just about an hour out of Dallas is this very large and beautiful show facility. She ate the famous Texas, 3 Little Pigs Sandwich, bacon, ham, and barbeque on a very large ciabatta roll for the judges lunches. Amy says she is still full.

ON the 13<sup>th</sup> and 14<sup>th</sup> our group competed at our last show before a short break for the summer. Our group did quite well. Holly and Festina perfected there Intermediare 1 freestyle. Amy said there were many moments that gave her the chills!! Sue and Rue also performed their new and first ever freestlye. Amy did the choreographer for both of them.

We have three new horses and the farm this month. Welcome to our newest boarder Lyn and her darling pony Poppy. We have enjoyed both of their company so far. They are looking forward to competing with us in the future. Amy has a new sales horse in Aladin better known as Ladd is super sweet. Please see sales page for more information (also printable). We also have Vandela and Leah or are visiting for awhile. We are so thrilled to have them back at FLF again.

Amy finished the month judging at Chatt Hills in Fairburn. Georgia. When not judging Amy has been traveling with her youngest son to tour colleges as he is a rising senior!
