

January News

Happy New Year to everyone! January is a big birthday month for our McElroy group. The month starts off with Marlene's bday as she brings in the new year with her January birthdate. To follow Dru and Lisi both share January 9th as their birthdate, they even were born the same year!! We close the month with Jane's bday which for inquiring minds makes her eligible to compete for her Century Award. Many thanks to Marlene and Elliot for hosting the McElroy January bday party at their beautiful home. It was very well attended and such a good time had by all.

Fair Lane Farm hosted two clinics this month. The first clinic was with Hokan Thorn on the 17th and 18th. It is always such a great experience to ride with him and listen to him teach. A favorite clinician with The McElroy group. We also had Gunnar Ostergaard on the 27th and 28th. It is always a treat to have the opportunity to ride with him. Both clinics were full with a waiting list. Every horse and rider came away much improved and smiling.

Amy judged one show at Full Gallop on January 24th. This was their first event of the season and well attended. On the 31 she went to Charlestown to give a clinic at Elite Equines owned by Caroline Von Asten, with head trainer Laurens Bissell. Really enjoyed working with everyone with Team Bissell.

Just a reminder for everyone to join the SCDCTA! For 2015. So we can have a large group attend the next annual banquet. Unfortunately the banquet this 24th only had Lisi to represent us.
