

# July Newsletter

Happy 4<sup>th</sup> of July! July is a quieter month for our group. Many of us are taking vacations throughout the month trying to stay cool . Our group will only attend one show this month before gearing back up in August for the regionals and hopefully the nationals. Many of our riders are already qualified and are just working on perfecting their skills, The regionals this year will be held in Conyers at the International Horse Park.

We have a very large group planning to compete at Stable View on July 13. So far, Holly, Debbie, Susan, Lisa, Kathy V, Sherry p, Lisi, Pam, Lauri, Caroline, Myron. Should be fun so check back for results .
